

# THE LUDLOW PLAZA AND RAIL VIEWING STATION

Soft Opening: Now through October 13th (Grand Opening Event Details Coming Soon.)

Please be patient as we await the delivery of our benches, tables & chairs, placards, and garbage cans. These will be here before the Grand Opening!

The Rail Viewing Station is open until dusk. The area is monitored with cameras and by the Police Department.

Bathrooms can be found Monday-Friday during business hours in the City Building, and can be accessed through the front Elm Street entry to the building.
