

Public information questions

Address: _____

1. Do you believe the historic architecture in Ludlow adds value to the community and is a resource to be protected? Why? Why not?

2. Do you believe a Historic Preservation Overlay would help to promote economic development and enhance the business community?
 - a. Why? Why not?

3. What architectural elements do you see as important to preserve? Should more emphasis be placed on a front façade then perhaps the rear of a property?

4. If the City adopts a Historic Preservation Overlay district, where would you see it being the most effective?
 - a. Where would it be the least effective?

5. Have you had any experience with Historic Preservation processes?
 - a. If yes, was it a good experience? What could have been improved?

6. The draft framework for the design guidelines does not require any review for re-painting the same color as what currently exists and an administrative review (staff only, no UDRB) for any change in color. Do you feel that this will provide too little or too much flexibility? Why?

7. Please feel free to use the back of this page to write any other comments you may have.

Please return your responses to:
